FARG‘ONA DAVLAT UNIVERSITETI

AKADEMIK LITSEYI XORIJIY TILLAR KAFEDRASI O‘QITUVCHISI

Zokirova Diyoraxonning

Ingliz tili fanidan I va II bosqich o‘quvchilari uchun

USLUBIY KO‘RSATMASI

IELTS speaking part 1

2025-2026 academic year

SO‘Z BOSHI

Ushbu uslubiy ko’rsatma barcha ingliz tilidan IELTS imtixonlariga tayyorlanish uchun mo`ljallangan. Uslubiy ko‘rsatma SPEAKING yo‘nalishida test topshiruvchilar uchun mo‘ljallangan bo’lib, tushunish darajasi va so’z boyligini ko'tarish uchun hizmat qiladi. Ayniqsa, SPEAKING imtixonidagi turli mavzular doirasida bo’lganligi uchun kundalik hayotdagi yoki akademik sohadagi mavzular uslubiy ko’rsatmada keltirib o’tilgan. Bularning barchasi ingliz tilidan IELTS test darrajasidagi asosiy ma’lumotardan foydalangan holda ishlab chiqildi. Bu esa o’quvchining musta’qil ishlashi uchun katta yordam beradi. Shu bilan birga, bu ko’rsatma IELTS topshirish arafasidagi o’quvchilar uchun judda katta foydali manbadir. Chunki bunda yozish, writing, reading bo’limlari uchun ham so’zlar bazasi shakllangan. Uslubiy ko’rsatma SPEAKINGni oshirishda o’quvchiga katta yordam beradi.

Tuzuvchi: D. Zokirova

USHBU O’QUV-USLUBIY KO’RSATMA AKADEMIK LITSEY XORIJIY TILLAR KAFEDRA MUHOKAMASIDA KO’RIB CHIQILGAN VA PEDAGOGIK KENGASHINING 2026-YIL 31 - mart 8 - YIG’ILISHI QARORI BILAN NASHRGA TAVSIYA ETILGAN.

1. Hometown

question: Where is your hometown?

answer: I'm originally from a small yet vibrant town in Uzbekistan. Although it's not very large, it has a peaceful atmosphere and a strong sense of community. What I particularly appreciate about my hometown is that people tend to know each other well, which creates a friendly and supportive environment. Despite its modest size, it holds a special place in my heart because I grew up there and formed many unforgettable memories.

High-level vocabulary:

- originally
- vibrant
- peaceful atmosphere
- supportive environment
- holds a special place

2. Work / Study

question: Why did you choose your field of study?

answer: I chose this field because I've always been fascinated by how economic systems function and how they shape society. From an early age, I was curious about how businesses operate and how financial decisions impact people's lives. Moreover, I believe this field offers promising career prospects and opportunities for professional growth. It perfectly aligns with my long-term ambitions.

High-level vocabulary:

- fascinated by
- function
- shape society
- promising career prospects
- long-term ambitions

3. Hobbies

question: What do you do in your free time?

answer: In my leisure time, I usually immerse myself in reading novels or engaging in outdoor activities like football. Reading allows me to broaden my perspective and escape

from daily stress, while sports help me stay physically active. I find this balance extremely beneficial for both my mental and physical well-being.

High-level vocabulary:

- leisure time
- immerse myself
- broaden my perspective
- physically active
- well-being

4. Daily Routine

question: Are you usually busy during the day?

answer: Yes, I tend to have a rather hectic schedule, especially on weekdays. I spend most of my day attending classes, completing assignments, and preparing for exams. In addition, I try to allocate some time for self-study and personal development. Although it can be exhausting at times, I believe staying productive helps me achieve my goals.

High-level vocabulary:

- hectic schedule
- allocate time
- personal development
- exhausting
- productive

5. Food

question: Do you prefer home-cooked food or fast food?

answer: I definitely prefer home-cooked meals because they are far more nutritious and hygienic compared to fast food. In my opinion, homemade dishes are prepared with greater care and attention, which makes them not only healthier but also more delicious. Occasionally, I do eat fast food, but only when I’m pressed for time.

High-level vocabulary:

- nutritious
- hygienic
- prepared with care
- occasionally
- pressed for time

6. Technology

question: How often do you use your smartphone?

answer: I use my smartphone on a daily basis, as it has become an indispensable part of my life. I rely on it for communication, academic research, and even entertainment. However, I try to limit my screen time because excessive usage can negatively affect my productivity and concentration.

High-level vocabulary:

- on a daily basis
- indispensable
- rely on
- excessive usage
- concentration

7. Friends

question: What qualities do you value in a friend?

answer: I highly value honesty and loyalty in a friend because these qualities form the foundation of a strong relationship. I also appreciate people who are supportive and open-minded, as they encourage personal growth. In my view, genuine friendship is built on mutual trust and understanding.

High-level vocabulary:

- foundation
- loyalty
- supportive
- open-minded
- mutual trust

8. Travel

question: Do you like traveling?

answer: Yes, I'm extremely passionate about traveling because it enables me to explore new cultures and gain fresh perspectives. Whenever I visit a new destination, I try to immerse myself in the local traditions and cuisine. Traveling not only broadens my horizons but also helps me become more adaptable and independent.

High-level vocabulary:

- passionate about
- destination
- immerse myself
- broaden my horizons
- adaptable

9. Music

question: Can music affect your mood?

answer: Absolutely, music has a profound impact on my emotional state. For instance, when I feel stressed, listening to calm melodies helps me relax and clear my mind. On the other hand, energetic songs can instantly uplift my spirits and boost my motivation.

High-level vocabulary:

- profound impact
- emotional state
- calm melodies
- uplift my spirits
- boost motivation

10. Sports

question: Do you enjoy playing sports?

answer: Yes, I genuinely enjoy playing sports because they contribute significantly to my overall well-being. Engaging in physical activities not only strengthens my endurance but also improves my mental resilience. Furthermore, team sports teach valuable skills such as cooperation and discipline.

High-level vocabulary:

- contribute significantly
- overall well-being
- endurance
- mental resilience
- discipline

11. Books

question: Do you enjoy reading books?

answer: Yes, I find reading intellectually stimulating and highly rewarding. It enriches my vocabulary, enhances my imagination, and sharpens my critical thinking skills. Moreover, books allow me to gain insights into different cultures and perspectives.

High-level vocabulary:

- intellectually stimulating
- rewarding
- enrich
- enhances imagination
- gain insights

12. Weather

question: What kind of weather do you prefer?

answer: I prefer mild and sunny weather because it positively influences my mood and productivity. When the weather is pleasant, I feel more energetic and motivated to accomplish my daily tasks. In contrast, gloomy weather tends to lower my enthusiasm.

High-level vocabulary:

- mild
- positively influences
- productive
- energetic
- enthusiasm

13. Accommodation

Question: Do you live in a house or an apartment?

answer: Currently, I live in an apartment in the city center. Although it's not very spacious, it is quite convenient because everything is within walking distance. I particularly appreciate the modern facilities and the sense of security the building provides. In the future, however, I would prefer to live in a larger house with a garden.

High-level vocabulary:

- spacious
- convenient
- within walking distance
- modern facilities
- sense of security

14. Time Management

question: How do you manage your time?

answer: I try to manage my time efficiently by setting clear priorities and creating a daily schedule. This helps me stay organized and avoid procrastination. Although unexpected tasks sometimes arise, I usually manage to meet my deadlines without feeling overwhelmed.

High-level vocabulary:

- efficiently
- set priorities
- organized
- procrastination
- meet deadlines

15. Social Media

question: Do you use social media frequently?

answer: Yes, I use social media on a regular basis to stay connected with friends and keep up with current trends. However, I try not to spend excessive time on it, as it can be distracting. I believe moderation is the key to using it productively.

High-level vocabulary:

- on a regular basis
- stay connected
- current trends
- excessive time
- moderation

16. Shopping

question: Do you enjoy shopping?

answer: To be honest, I'm not particularly fond of shopping, especially when it comes to crowded malls. However, I do enjoy buying things online because it saves time and allows me to compare prices easily. I usually shop only when it's necessary rather than impulsively.

High-level vocabulary:

- not particularly fond of
- crowded
- compare prices
- necessary
- impulsively

17. Holidays

question: How do you usually spend your holidays?

answer: I usually spend my holidays relaxing with my family or traveling to nearby destinations. It's a perfect opportunity to recharge and take a break from my daily responsibilities. Sometimes, I also use this time to reflect on my personal goals.

High-level vocabulary:

- nearby destinations
- recharge
- take a break
- responsibilities
- reflect

18. Movies

question: What kind of movies do you like?

answer: I'm particularly interested in inspirational and thought-provoking movies. I enjoy films that convey meaningful messages and challenge my perspective. In my opinion, movies should not only entertain but also educate the audience.

High-level vocabulary:

- inspirational
- thought-provoking
- convey
- meaningful messages
- perspective

19. Public Transport

question: Do you often use public transport?

answer: Yes, I frequently use public transport, especially buses, because it is affordable and environmentally friendly. Although it can sometimes be crowded, it helps reduce traffic congestion and pollution in the city.

High-level vocabulary:

- frequently
- affordable
- environmentally friendly
- traffic congestion
- pollution

20. Noise

question: Do you prefer quiet places or noisy places?

answer: I definitely prefer quiet places because they allow me to concentrate and think clearly. Excessive noise can be extremely distracting and even stressful. That's why I usually seek a calm environment when studying or working.

High-level vocabulary:

- concentrate
- excessive
- distracting
- stressful

- calm environment

21. Art

question: Are you interested in art?

answer: Yes, I find art quite fascinating because it reflects creativity and cultural identity. Although I'm not an expert, I enjoy visiting exhibitions and appreciating different artistic styles. Art, in my opinion, is a powerful form of self-expression.

High-level vocabulary:

- fascinating
- reflect
- cultural identity
- exhibitions
- self-expression

22. Photography

Question: Do you like taking photos?

answer: Yes, I enjoy taking photos, especially when I travel or attend special events. Photography allows me to capture memorable moments and preserve them for the future. It's also a creative way to express how I see the world.

High-level vocabulary:

- capture
- memorable moments
- preserve
- creative
- express

23. Environment

question: Do you think protecting the environment is important?

answer: Absolutely, protecting the environment is crucial for future generations. Environmental issues such as pollution and climate change pose serious threats to our planet. Therefore, individuals and governments should take responsibility and adopt sustainable practices.

High-level vocabulary:

- crucial
- future generations
- pose threats
- take responsibility
- sustainable practices

24. Patience

question: Are you a patient person?

answer: I would say I'm fairly patient, especially when dealing with long-term goals. However, I sometimes struggle with minor inconveniences. Overall, I try to remain calm and composed in challenging situations.

High-level vocabulary:

- fairly
- long-term goals
- minor inconveniences
- remain calm
- composed

25.Health

question: What do you do to stay healthy?

answer: I try to maintain a healthy lifestyle by exercising regularly and following a balanced diet. In addition, I make sure to get enough sleep, as it plays a vital role in both physical and mental well-being. Although it can be challenging to stay consistent, I believe that small daily habits make a significant difference in the long run.

High-level vocabulary:

- maintain
- balanced diet
- vital role
- consistent
- significant difference

26. Dreams / Goals

question: Do you have any long-term goals?

answer: Yes, I have several long-term aspirations, particularly related to my career and personal growth. I aim to become highly skilled in my profession and eventually work abroad to gain international experience. I believe setting clear goals gives direction and motivation in life.

High-level vocabulary:

- long-term aspirations
- personal growth
- highly skilled
- international experience
- motivation

27. Teachers

question: Do you remember your favorite teacher?

answer: Yes, I clearly remember my favorite teacher from high school because she was incredibly supportive and inspiring. She not only explained lessons thoroughly but also encouraged us to think critically. Her teaching style had a lasting impact on my academic development.

High-level vocabulary:

- supportive
- inspiring
- thoroughly
- think critically
- lasting impact

28. Learning Languages

question: Why are you learning English?

answer: I'm learning English because it is an international language that opens up numerous opportunities. It allows me to access global resources, communicate with people from diverse backgrounds, and pursue education abroad. In today's world, being fluent in English is almost essential.

High-level vocabulary:

- international language
- numerous opportunities

- diverse backgrounds
- pursue education
- fluent

29. Computers

question: How often do you use a computer?

answer: I use a computer almost every day, mainly for studying and research purposes. It enables me to complete assignments efficiently and access a wide range of information. Without a computer, it would be difficult to keep up with academic demands.

High-level vocabulary:

- research purposes
- efficiently
- access information
- wide range
- academic demands

30. Neighbours

Question: Do you get along well with your neighbours?

Answer: Yes, I have a good relationship with my neighbours because they are friendly and respectful. Although we are not extremely close, we occasionally help each other when needed. Having supportive neighbours creates a comfortable living environment.

High-level vocabulary:

- get along
- respectful
- occasionally
- supportive
- comfortable environment

31. History

Question: Are you interested in history?

Answer: Yes, I find history quite intriguing because it helps us understand how societies have evolved over time. By studying historical events, we can learn valuable lessons and avoid repeating past mistakes. It also provides insight into cultural development.

High-level vocabulary:

- intriguing
- evolved
- historical events
- valuable lessons
- cultural development

32. Emails

Question: Do you prefer sending emails or making phone calls?

Answer: I generally prefer sending emails because they allow me to communicate clearly and formally. Emails also give me time to organize my thoughts before responding. However, for urgent matters, phone calls are more practical.

High-level vocabulary:

- generally
- communicate clearly
- formally
- organize thoughts
- urgent matters

33. Handwriting

questionl: Is handwriting important nowadays?

answer: Although technology has reduced the need for handwriting, I still believe it remains important. Handwriting can improve memory retention and cognitive skills. Moreover, it adds a personal touch that digital communication often lacks.

High-level vocabulary:

- reduced
- memory retention
- cognitive skills
- personal touch
- lacks

34.Morning Routine

question: What do you usually do in the morning?

answer: In the morning, I usually wake up early and start my day with light exercise. After that, I have breakfast and review my daily tasks to stay organized. I believe a productive morning sets the tone for the rest of the day.

High-level vocabulary:

- wake up early
- light exercise
- review tasks
- productive
- sets the tone

35.Weekends

question: What do you usually do on weekends?

answer: On weekends, I prefer to relax and spend quality time with my family or friends. Sometimes, I also catch up on pending tasks or pursue personal interests. Weekends give me a chance to recharge before the new week begins.

High-level vocabulary:

- quality time
- catch up on
- pending tasks
- pursue interests
- recharge

36. Concentration

question: Is it easy for you to concentrate?

answer: It depends on the situation, but generally, I can concentrate well in a quiet environment. However, distractions such as noise or social media can affect my focus. That's why I try to eliminate interruptions while studying.

High-level vocabulary:

- generally
- quiet environment
- distractions

- focus
- eliminate interruptions

37. Clothes

question: What kind of clothes do you usually wear?

answer: I usually prefer wearing comfortable and casual clothes, especially when I'm at university or spending time with friends. However, on formal occasions, I opt for more elegant and well-fitted outfits. I believe clothing not only reflects personal style but also influences first impressions.

High-level vocabulary:

- casual
- opt for
- formal occasions
- well-fitted
- first impressions

38. Birthdays

Queation: How do you usually celebrate your birthday?

Answer: I typically celebrate my birthday with close friends and family members. We usually have a small gathering, share a meal, and spend quality time together. For me, birthdays are less about gifts and more about creating meaningful memories.

High-level vocabulary:

- typically
- gathering
- quality time
- meaningful memories
- occasion

39. Celebrities

Question: Are you interested in celebrities?

Answer: Not particularly, as I don't usually follow celebrity news. However, I do admire public figures who have achieved success through hard work and dedication. I'm more interested in their accomplishments rather than their personal lives.

High-level vocabulary:

- particularly
- admire
- public figures
- dedication
- accomplishments

40. Maps

question: Do you often use maps?

answer: Yes, I frequently use digital maps when traveling to unfamiliar places. They are incredibly convenient and help me navigate efficiently. Without them, I would probably waste a lot of time getting lost.

High-level vocabulary:

- frequently
- unfamiliar
- navigate
- efficiently
- convenient

41. Gifts

question: Do you enjoy giving gifts to others?

answer: Yes, I genuinely enjoy giving gifts because it allows me to express appreciation and affection. I usually try to choose something thoughtful and meaningful rather than expensive. Seeing someone happy because of a small gesture brings me satisfaction.

High-level vocabulary:

- genuinely
- express appreciation
- affection
- thoughtful
- satisfaction

42. News

question: How do you usually get the news?

answer: I mostly get the news through online platforms and social media. It is a quick and accessible way to stay informed about global events. However, I try to verify information from reliable sources to avoid misinformation.

High-level vocabulary:

- online platforms
- accessible
- stay informed
- reliable sources
- misinformation

43. Smiling

question: Do you smile a lot?

answer: Yes, I tend to smile quite often because I believe it creates a positive atmosphere. Smiling not only improves my mood but also makes communication more pleasant. It's a simple yet powerful way to build connections.

High-level vocabulary:

- tend to
- positive atmosphere
- pleasant
- powerful
- build connections

44. Politeness

Question: Is politeness important to you?

Answer: Absolutely, politeness is extremely important in maintaining healthy relationships. Being respectful and considerate helps prevent misunderstandings and conflicts. In my opinion, good manners reflect a person's character and upbringing.

High-level vocabulary:

- absolutely
- maintaining relationships
- considerate
- prevent conflicts

- reflect character

45. Science

Savol: Are you interested in science?

Javob: Yes, I find science fascinating because it explains how the world functions. Scientific discoveries have significantly improved our quality of life. Although it can be complex at times, I appreciate its practical applications in everyday life.

High-level vocabulary:

- fascinating
- scientific discoveries
- significantly
- quality of life
- practical applications

47. Chocolate

question: Do you like eating chocolate?

answer: Yes, I do enjoy eating chocolate, especially dark chocolate. Although I try not to consume it excessively, I believe it's perfectly fine in moderation. It's a small treat that instantly boosts my mood.

High-level vocabulary:

- consume
- excessively
- in moderation
- treat
- boosts

48.Parks

question: Do you like visiting parks?

answer: Yes, I really enjoy visiting parks because they provide a peaceful escape from the busy city life. Spending time in nature helps me relax and clear my mind. It's also a great place to exercise or socialize with friends.

High-level vocabulary:

- peaceful escape
- busy city life
- relax
- socialize
- nature

49.Traffic

question: Is traffic a problem in your area?

answer: Yes, traffic congestion can be quite problematic, especially during rush hours. It not only wastes time but also contributes to air pollution. I believe improving public transportation could help reduce this issue.

High-level vocabulary:

- traffic congestion
- rush hours
- contributes to
- air pollution
- public transportation

50. Festivals

question: Do you enjoy festivals?

answer: Yes, I truly enjoy festivals because they bring people together and create a joyful atmosphere. They are a wonderful opportunity to celebrate traditions and strengthen social bonds. Festivals also provide a break from routine life.

High-level vocabulary:

- joyful atmosphere
- celebrate traditions
- strengthen bonds
- opportunity
- routine life

51. Staying Up Late

question: Do you often stay up late?

answer: I occasionally stay up late when I have deadlines or important tasks to complete. However, I try not to make it a habit because it negatively affects my productivity the next day. Getting enough sleep is essential for maintaining concentration.

High-level vocabulary:

- occasionally
- deadlines
- make it a habit
- negatively affects
- essential

52. Perfume

question: Do you like wearing perfume?

answer: Yes, I like wearing perfume because it enhances my confidence and leaves a positive impression. I usually prefer light and subtle fragrances rather than strong ones. In my opinion, a pleasant scent can reflect a person's personality.

High-level vocabulary:

- enhances
- confidence
- subtle fragrances
- pleasant scent
- reflect personality

53. Ice Cream

question: Do you like eating ice cream?

answer: Yes, I enjoy eating ice cream, especially during hot weather. It's a refreshing dessert that instantly improves my mood. Although I try to limit sugary food, I occasionally treat myself to my favorite flavor.

High-level vocabulary:

- refreshing
- dessert
- instantly
- limit

- treat myself

54. Cinema

question: How often do you go to the cinema?

answer: I don't go to the cinema very often these days because I can easily stream movies online. However, I still enjoy the immersive experience of watching films on a big screen with surround sound. It creates a completely different atmosphere.

High-level vocabulary:

- stream
- immersive experience
- big screen
- surround sound
- atmosphere

55. Being Alone

question: Do you like spending time alone?

answer: Yes, I do enjoy spending time alone occasionally because it allows me to reflect and recharge. While I value social interactions, solitude helps me focus on my thoughts and personal goals. It's essential to maintain a balance between social life and personal space.

High-level vocabulary:

- occasionally
- reflect
- recharge
- solitude
- personal space

56. Drawing

Question: Do you like drawing?

answer: Although I'm not particularly talented at drawing, I find it quite relaxing. It allows me to express my creativity and reduce stress. Even simple sketches can be a satisfying way to spend my free time.

High-level vocabulary:

- particularly talented
- relaxing

- express creativity
- reduce stress
- satisfying

57. Mirrors

question: Do you often look in the mirror?

answer: Not excessively, but I do check the mirror before going out to ensure I look presentable. I believe maintaining a neat appearance shows respect for others. However, I don't spend too much time worrying about my looks.

High-level vocabulary:

- excessively
- ensure
- presentable
- neat appearance
- respect

58. Geography

question: Did you enjoy studying geography at school?

answer: Yes, I found geography quite engaging because it helped me understand different landscapes and cultures. Learning about various countries broadened my global awareness. It also sparked my interest in traveling.

High-level vocabulary:

- engaging
- landscapes
- broadened
- global awareness
- sparked interest

59. Crowded Places

question: Do you like going to crowded places?

answer: To be honest, I'm not a big fan of crowded places because they can be overwhelming and noisy. I prefer calm environments where I can move freely and think clearly. However, I don't mind crowds during special events or festivals.

High-level vocabulary:

- not a big fan
- overwhelming
- calm environments
- move freely
- special events

60. Plans

Savol: Do you usually make plans in advance?

Javob: Yes, I prefer planning in advance because it helps me stay organized and reduce stress. Having a clear plan allows me to manage my time effectively. However, I also try to remain flexible in case unexpected situations arise.

High-level vocabulary:

- in advance
- stay organized
- manage time
- effectively
- remain flexible

61. Reading News

question: Do you think it’s important to read the news regularly?

answer: Yes, I believe it’s important to stay informed about current events. Reading the news helps me understand global issues and form well-rounded opinions. However, I try to avoid negative or unreliable content.

High-level vocabulary:

- stay informed
- current events
- global issues
- well-rounded opinions
- unreliable

62. Flowers

question: Do you like flowers?

answer: Yes, I really like flowers because they brighten up any environment and create a pleasant atmosphere. I particularly appreciate receiving flowers on special occasions as they symbolize care and affection. In my opinion, flowers are a simple yet meaningful way to express emotions.

High-level vocabulary:

- brighten up
- pleasant atmosphere
- symbolize
- affection
- meaningful

63. Teamwork

question: Do you prefer working alone or in a team?

answer: I generally prefer working in a team because it allows for the exchange of ideas and diverse perspectives. Teamwork can enhance creativity and lead to more effective solutions. However, I also value working independently when deep concentration is required.

High-level vocabulary:

- generally
- exchange of ideas
- diverse perspectives
- enhance creativity
- independently

64. Saving Money

question: Is it important to save money?

answer: Yes, I believe saving money is essential for financial stability and future security. Having savings provides peace of mind and helps in unexpected situations. It also enables people to achieve long-term goals without excessive stress.

High-level vocabulary:

- essential
- financial stability
- future security

- peace of mind
- long-term goals

65. Weekdays

question: What do you usually do on weekdays?

Answer: On weekdays, I focus mainly on my studies and academic responsibilities. My schedule is usually quite structured, with classes, assignments, and revision sessions. Although it can be demanding, I try to stay consistent and productive.

High-level vocabulary:

- focus on
- academic responsibilities
- structured
- demanding
- consistent

66. Memory

question: Do you have a good memory?

Answer:I would say I have a fairly good memory, especially when it comes to important dates and academic material. However, I sometimes forget minor details if I'm overwhelmed with tasks. Overall, I try to improve my memory through regular practice and revision.

High-level vocabulary:

- fairly
- academic material
- minor details
- overwhelmed
- revision

67. Names

question: Are you good at remembering people's names?

answer: To be honest, I sometimes struggle with remembering names, especially when I meet many new people at once. However, if I interact with someone regularly, I tend to remember their name easily. I believe repetition plays a key role in memory retention.

High-level vocabulary:

- struggle with
- interact
- regularly
- repetition
- memory retention

68. Weekends vs Weekdays

question: Which do you prefer, weekends or weekdays?

answer: I definitely prefer weekends because they provide an opportunity to relax and recharge. Unlike weekdays, which are often busy and stressful, weekends allow me to spend time with loved ones and pursue hobbies. They create a healthy balance in my routine.

High-level vocabulary:

- opportunity
- recharge
- stressful
- pursue hobbies
- healthy balance

69. Handcrafts

Question: Do you like making things by hand?

answer: Although I'm not particularly skilled at handcrafts, I do find them quite enjoyable. Creating something manually can be both relaxing and rewarding. It also helps develop patience and attention to detail.

High-level vocabulary:

- particularly skilled
- manually
- rewarding
- develop patience
- attention to detail

70. Borrowing / Lending

question: Do you prefer to borrow things or buy them?

answer: I usually prefer buying essential items because it gives me a sense of independence and responsibility. However, for temporary needs, borrowing can be practical and cost-effective. It really depends on the situation.

High-level vocabulary:

- essential items
- independence
- responsibility
- temporary needs
- cost-effective

71. Advertisements

question: Do advertisements influence your decisions?

answer: To some extent, advertisements can influence my purchasing decisions, especially if they highlight useful features. However, I try to analyze products carefully rather than relying solely on promotional content. Being a critical consumer is important.

High-level vocabulary:

- to some extent
- purchasing decisions
- highlight
- analyze carefully
- critical consumer

72. Museums

question: Do you like visiting museums?

answer: Yes, I enjoy visiting museums because they provide educational and cultural experiences. Museums allow people to explore history, art, and science in an interactive way. I find them both informative and inspiring.

High-level vocabulary:

- educational
- cultural experiences
- explore
- informative

- inspiring

73. Mobile Apps

question: What kind of mobile apps do you use most?

answer: I mostly use educational and productivity apps to manage my tasks and improve my skills. These applications help me stay organized and track my progress efficiently. I also use social media apps to stay connected with friends.

High-level vocabulary:

- productivity apps
- manage tasks
- improve skills
- track progress
- stay connected

74. Recycling

question: Do you recycle things?

answer: Yes, I try to recycle whenever possible because I believe it's a simple yet effective way to protect the environment. For instance, I separate plastic and paper waste at home. Although it may seem like a small action, I think collective efforts can make a significant impact.

High-level vocabulary:

- whenever possible
- separate waste
- effective
- collective efforts
- significant impact

75. Snacks

question: Do you like eating snacks?

answer: Yes, I do enjoy snacks, especially when I'm studying or watching a movie. However, I try to choose healthier options like nuts or fruit instead of junk food. Maintaining moderation is important to avoid unhealthy habits.

High-level vocabulary:

- healthier options
- junk food
- moderation
- unhealthy habits
- maintain

76. Writing

question: Do you enjoy writing?

answer: Yes, I find writing quite enjoyable, particularly when I have enough time to organize my thoughts. It allows me to express my ideas clearly and improve my communication skills. Writing regularly also enhances my creativity.

High-level vocabulary:

- enjoyable
- organize thoughts
- express ideas
- communication skills
- enhances creativity

77. Public Holidays

Question: Do you think public holidays are important?

Answer: Absolutely, public holidays are important because they provide people with a well-deserved break from their routine. They also offer an opportunity to celebrate cultural traditions and spend time with family. Such breaks contribute to overall well-being.

High-level vocabulary:

- absolutely
- well-deserved break
- routine
- celebrate traditions
- overall well-being

78. Weather Forecast

question: Do you check the weather forecast?

answer: Yes, I usually check the weather forecast before making plans, especially if I intend to go outdoors. It helps me prepare appropriately and avoid inconvenience. Technology has made accessing weather updates extremely convenient.

High-level vocabulary:

- forecast
- intend
- prepare appropriately
- avoid inconvenience
- access updates

79. Tiredness

question: When do you usually feel tired?

answer: I usually feel tired after a long and demanding day filled with academic tasks. Mental exhaustion can sometimes be even more draining than physical fatigue. In such situations, I try to rest and recharge properly.

High-level vocabulary:

- demanding
- mental exhaustion
- draining
- physical fatigue
- recharge

79. Emails vs Messages

question: Do you prefer texting or emailing?

answer: I prefer texting for informal communication because it is quick and convenient. However, for formal or academic matters, I choose emailing as it appears more professional and structured.

High-level vocabulary:

- informal communication
- convenient
- formal matters
- professional

- structured

80. Walking

question: Do you like walking?

answer: Yes, I enjoy walking, particularly in the evening when the weather is pleasant. It helps me clear my thoughts and reduce stress after a busy day. Walking is also a simple way to stay physically active.

High-level vocabulary:

- particularly
- pleasant
- clear my thoughts
- reduce stress
- physically active

81. Being Busy

question: Do you like being busy?

answer: Yes, I prefer being busy because it makes me feel productive and motivated. When I have clear tasks to accomplish, I feel a sense of purpose. However, I also understand the importance of taking breaks to avoid burnout.

High-level vocabulary:

- productive
- motivated
- accomplish
- sense of purpose
- avoid burnout

82. Sharing

question: Do you like sharing things with others?

answer: Yes, I believe sharing strengthens relationships and builds trust. Whether it's knowledge, food, or experiences, sharing creates a sense of connection. It also reflects generosity and kindness.

High-level vocabulary:

- strengthens
- builds trust
- connection
- generosity
- kindness

83. Chocolate vs Candy

question: Do you prefer chocolate or candy?

answer: I definitely prefer chocolate, especially dark chocolate, because it has a richer flavor. Candy can sometimes be overly sweet, which I don't particularly enjoy. In moderation, chocolate feels like a small luxury.

High-level vocabulary:

- definitely
- richer flavor
- overly sweet
- moderation
- luxury

84 Food & Drinks

Question: Do you prefer chocolate or candy?

Answer: I unequivocally favor chocolate, particularly dark chocolate, because it offers a more complex and intense flavor. Candy often tends to be excessively sugary, which I find less appealing. Consuming chocolate in moderation transforms it into a small indulgence, rather than just a snack.

High-level vocabulary:

- unequivocally
- complex and intense flavor
- excessively sugary
- moderation
- indulgence

Question: Do you like cooking?

Answer: I thoroughly enjoy cooking because it allows me to be creative and experimental with flavors. Preparing a meal can be therapeutic, and it gives me a sense of accomplishment and satisfaction when it turns out well.

High-level vocabulary:

- thoroughly
- creative and experimental
- therapeutic
- accomplishment
- satisfaction

85 Hobbies & Free Time

Question: Do you like reading books?
Answer:
Yes, I find reading books incredibly **enriching and intellectually stimulating**. I particularly enjoy novels that delve into **complex characters and profound themes**, as they challenge my thinking and broaden my perspective.

High-level vocabulary:

- enriching
- intellectually stimulating
- delve into
- complex characters
- profound themes

Question: Do you enjoy watching movies?

Answer:
I genuinely enjoy watching movies, especially those with **intricate plots and exceptional cinematography**. While casual films can be entertaining, I tend to prefer movies that are **thought-provoking and emotionally resonant**, as they leave a lasting impression.

High-level vocabulary:

- genuinely
- intricate plots
- exceptional cinematography
- thought-provoking
- emotionally resonant

86 Seasons & Weather

Question: Do you prefer summer or winter?
Answer:
I decidedly favor summer because the weather is **invigorating and full of energy**. Winter, although cozy, can feel **oppressively cold** and limits outdoor activities. Summer provides an opportunity to engage in **leisure pursuits and social gatherings**, which I truly enjoy.

High-level vocabulary:

- decidedly
- invigorating
- oppressively cold
- leisure pursuits
- social gatherings

87 Travel & Places

Question: Do you like traveling?
Answer:
Absolutely, I relish traveling because it offers **unique cultural experiences and fresh perspectives**. Exploring new places allows me to **immerse myself in unfamiliar environments**, which I find both **exciting and enlightening**.

High-level vocabulary:

- relish
- unique cultural experiences
- fresh perspectives
- immerse myself
- enlightening

88 Friends & Social Life

Question: Do your friends influence your choices?
Answer:
Certainly, my friends have a **considerable impact on my decisions**, especially when it comes to trying new activities. Their **insightful advice and constructive feedback** often helps me make **well-informed choices**, which I greatly appreciate.

High-level vocabulary:

- considerable impact
- insightful advice
- constructive feedback
- well-informed choices
- greatly appreciate

89 Coffee vs Tea

Question: Do you prefer coffee or tea?

Answer:
I definitely prefer coffee, especially in the morning, because it helps me feel more energetic and focused throughout the day. The aroma and rich flavor of coffee make it very enjoyable for me. Although tea can be relaxing and healthy, I usually choose coffee because it gives me a stronger boost of energy and helps me start my day more productively.

High-level vocabulary:

• definitely
• energetic
• focused
• aroma
• productive

90 Books vs Movies

Question: Do you prefer reading books or watching movies?

Answer:
Personally, I prefer reading books because they allow me to use my imagination much more. When I read a book, I can visualize the characters and scenes in my own way, which makes the experience more engaging. Movies are entertaining and convenient, but books usually provide deeper details and a richer storyline that keeps me interested for a longer time.

High-level vocabulary:
• imagination
• visualize
• engaging
• convenient
• richer storyline

91 Summer vs Winter

Question: Which season do you prefer, summer or winter?

Answer:
I definitely prefer summer because the weather is warm and pleasant, which makes it easier to spend time outdoors. During summer, people can travel, go swimming, or simply enjoy nature. Winter can also be beautiful, especially when it snows, but the cold weather sometimes makes daily activities more difficult.

High-level vocabulary:
• pleasant
• outdoors
• travel
• nature
• activities

92 City vs Countryside

Question: Do you prefer living in the city or the countryside?

Answer:
I would personally prefer living in the city because it offers more opportunities for education, work, and entertainment. Cities usually have modern facilities such as shopping centers, restaurants, and public transportation. However, I also believe that the countryside has its own advantages, like peaceful surroundings and fresh air.

High-level vocabulary:
• opportunities
• education
• entertainment
• facilities
• peaceful surroundings

93 Morning vs Night

Question: Are you more productive in the morning or at night?

Answer:
I am definitely more productive in the morning because my mind feels fresh and clear after a good night's sleep. I can concentrate better and complete tasks more efficiently. At night, I usually feel tired after a long day, so it becomes harder for me to focus on important work or studies.

High-level vocabulary:
• productive
• fresh
• concentrate
• efficiently
• focus

94 Traveling Alone vs With Friends

Question: Do you prefer traveling alone or with friends?

Answer:
I prefer traveling with friends because it makes the entire experience more enjoyable and memorable. When you travel with friends, you can share interesting moments, take photos together, and explore new places as a group. Traveling alone can sometimes be peaceful and give you more independence, but for me, shared experiences are much more meaningful.

High-level vocabulary:
• enjoyable
• memorable
• explore
• independence
• meaningful

95 Online Shopping vs In-store Shopping

Question: Do you prefer shopping online or in stores?

Answer:
I generally prefer shopping online because it is much more convenient and saves a lot of time. You can easily compare prices, read reviews, and find better deals without leaving your

home. However, shopping in physical stores also has advantages because you can see the product directly and check its quality before buying it.

High-level vocabulary:

• convenient
• compare prices
• reviews
• deals
• quality

96 Fast Food vs Home-Cooked Food

Question: Do you prefer fast food or home-cooked food?

Answer:
I definitely prefer home-cooked food because it is usually healthier and more nutritious. When you cook at home, you can control the ingredients and prepare meals according to your taste. Fast food can be convenient when you are busy, but eating it too often may not be good for your health.

High-level vocabulary:

• definitely
• healthier
• nutritious
• ingredients
• convenient

97 Studying Alone vs Studying in a Group

Question: Do you prefer studying alone or in a group?

Answer:
I usually prefer studying alone because it helps me concentrate better and manage my time more effectively. When I study by myself, I can focus on difficult topics without distractions. However, studying in a group can also be helpful because students can discuss ideas and explain difficult concepts to each other.

High-level vocabulary:

• concentrate
• effectively

• distractions
• discuss
• concepts

98 Watching TV vs Using the Internet

Question: Do you prefer watching TV or using the internet?

Answer:
I prefer using the internet because it offers a much wider range of information and entertainment. On the internet, I can watch videos, learn new skills, read articles, or communicate with people from different parts of the world. Compared to television, the internet is more interactive and useful in everyday life.

High-level vocabulary:
• information
• entertainment
• communicate
• interactive
• useful

99 Music vs Podcasts

Question: Do you prefer listening to music or podcasts?

Answer:
I usually prefer listening to music because it helps me relax and improve my mood, especially after a long and stressful day. Music can also be very motivating when I am studying or exercising. Although podcasts can be informative and educational, I find music more enjoyable and easier to listen to in my daily routine.

High-level vocabulary:
• relax
• stressful
• motivating
• informative
• daily routine

100 Reading E-books vs Printed Books

Question: Do you prefer reading e-books or printed books?

Answer:
Personally, I prefer printed books because they provide a more traditional and comfortable reading experience. I enjoy holding a real book and turning the pages, which makes reading feel more engaging. E-books are definitely convenient, especially when traveling, but printed books create a stronger connection with the content.

High-level vocabulary:
• traditional
• comfortable
• engaging
• convenient
• connection

101 Dogs vs Cats

Question: Do you prefer dogs or cats?

Answer:
I definitely prefer dogs because they are very loyal and friendly animals. Dogs enjoy spending time with their owners and are always excited to see them. In my opinion, they are wonderful companions because they provide emotional support and make people feel less lonely.

High-level vocabulary:
• loyal
• friendly
• companions
• emotional support
• lonely

102 Watching Movies at Home vs Cinema

Question: Do you prefer watching movies at home or in the cinema?

Answer:
I prefer watching movies in the cinema because the large screen and powerful sound system create a much more exciting experience. The atmosphere in a cinema also makes the movie feel more special. Although watching movies at home is comfortable and convenient, the cinema experience is usually more memorable.

High-level vocabulary:
• powerful

• exciting experience
• atmosphere
• convenient
• memorable

103. Saving Money vs Spending Money

Question: Do you prefer saving money or spending money?

Answer:
I generally prefer saving money because it helps me feel more secure about my future. Saving allows me to plan for important goals such as education, travel, or buying something valuable. Of course, spending money can be enjoyable, but I believe it is important to manage finances wisely.

High-level vocabulary:

• secure
• future
• goals
• valuable
• manage finances

104 Studying in the Morning vs Evening

Question: Do you prefer studying in the morning or in the evening?

Answer:
I prefer studying in the morning because my mind feels fresh and energetic at that time. I can concentrate better and understand new information more easily. In the evening, I usually feel tired after daily activities, which makes studying less effective.

High-level vocabulary:

• fresh
• energetic
• concentrate
• information
• effective

105 Watching Sports vs Playing Sports

Question: Do you prefer watching sports or playing sports?

Answer:
I prefer playing sports because it allows me to stay active and maintain good physical health. Playing sports is also a great way to reduce stress and spend time with friends. Watching sports can be entertaining, but participating in sports is much more exciting for me.

High-level vocabulary:
• active
• physical health
• reduce stress
• entertaining
• participating

105 Phone Calls vs Text Messages

Question: Do you prefer phone calls or text messages?

Answer:
I prefer text messages because they are quick and convenient, especially when I am busy. Sending a message allows me to communicate without interrupting other activities. However, phone calls are better for longer or more serious conversations.

High-level vocabulary:
• convenient
• communicate
• interrupting
• activities
• conversations

106 Traveling by Plane vs Train

Question: Do you prefer traveling by plane or by train?

Answer:
I prefer traveling by plane because it is much faster and more efficient, especially for long distances. Air travel saves a lot of time and allows people to reach their destination quickly. However, traveling by train can also be relaxing because you can enjoy the scenery along the way.

High-level vocabulary:
• efficient
• long distances
• destination

• relaxing
• scenery

107 Studying Online vs In a Classroom

Question: Do you prefer studying online or in a classroom?

Answer:
I personally prefer studying in a classroom because it allows direct interaction with teachers and classmates. This makes it easier to ask questions and understand difficult topics. Online learning is flexible and convenient, but face-to-face communication often creates a more effective learning environment.

High-level vocabulary:
• interaction
• classmates
• flexible
• communication
• learning environment

108 Watching Sunrise vs Sunset

Question: Do you prefer watching the sunrise or the sunset?

Answer:
I personally prefer watching the sunset because the sky usually becomes very colorful and beautiful in the evening. It feels like a peaceful moment after a long and busy day. Watching the sunset helps me relax and reflect on the events of the day, which I find very calming.

High-level vocabulary:
• colorful
• peaceful
• reflect
• calming
• events

109 Living in a Big House vs Small House

Question: Do you prefer living in a big house or a small house?

Answer:
I would prefer living in a big house because it provides more space and comfort for daily

life. A larger house allows people to have separate rooms for studying, relaxing, and spending time with family. However, I also understand that a small house can be easier to maintain and less expensive.

High-level vocabulary:

• provides
• comfort
• separate
• maintain
• expensive

110 Studying Languages vs Mathematics

Question: Do you prefer studying languages or mathematics?

Answer:
I prefer studying languages because they allow me to communicate with people from different cultures and backgrounds. Learning a new language also helps me understand different traditions and ways of thinking. Mathematics is important as well, but languages feel more practical and interesting for me.

High-level vocabulary:

• communicate
• cultures
• traditions
• practical
• backgrounds

111 Walking vs Riding a Bicycle

Question: Do you prefer walking or riding a bicycle?

Answer:
I prefer riding a bicycle because it is faster and more enjoyable than walking. Cycling also allows me to travel longer distances while still getting some exercise. In addition, it is an environmentally friendly way of transportation.

High-level vocabulary:

• enjoyable
• distances
• exercise

• environmentally friendly
• transportation

112 Watching Comedy vs Action Movies

Question: Do you prefer comedy movies or action movies?

Answer:
I prefer comedy movies because they help me relax and forget about stress for a while. Laughing at funny scenes can really improve my mood. Although action movies are exciting and full of energy, I usually choose comedies because they make me feel happier.

High-level vocabulary:

• relax
• stress
• improve mood
• exciting
• energy

113 Studying at Home vs Library

Question: Do you prefer studying at home or in the library?

Answer:
I prefer studying in the library because it is usually quiet and designed for concentration. Being in a study environment helps me stay focused and avoid distractions. At home, it can sometimes be difficult to concentrate because of noise or other activities.

High-level vocabulary:

• concentration
• environment
• focused
• distractions
• activities

114 Cooking vs Ordering Food

Question: Do you prefer cooking food or ordering food?

Answer:
I prefer cooking food because it allows me to prepare healthy and fresh meals. When I cook, I can choose the ingredients and control the quality of the food. Ordering food is convenient when I am busy, but cooking at home is usually healthier and more satisfying.

High-level vocabulary:

• prepare
• ingredients
• quality
• convenient
• satisfying

115 Watching News vs Reading News

Question: Do you prefer watching the news or reading the news?

Answer:
I prefer reading the news because it helps me understand information more clearly and in greater detail. When I read articles, I can take my time and analyze the content carefully. Watching the news can be faster, but reading often provides more complete information.

High-level vocabulary:

• clearly
• detail
• analyze
• content
• information

116 Spending Time Indoors vs Outdoors

Question: Do you prefer spending time indoors or outdoors?

Answer:
I prefer spending time outdoors because fresh air and natural surroundings help me feel relaxed and refreshed. Outdoor activities such as walking or exercising are also good for physical and mental health. Spending too much time indoors can sometimes feel boring.

High-level vocabulary:

• fresh air
• surroundings

• refreshed
• physical
• mental health

117 Learning from Books vs Experience

Question: Do you prefer learning from books or from experience?

Answer:
I believe both methods are important, but I slightly prefer learning from experience. Real-life situations often teach valuable lessons that cannot always be found in books. Experience also helps people develop practical skills and a deeper understanding of different situations.

High-level vocabulary:
• methods
• valuable lessons
• practical skills
• deeper understanding
• situations

118 Studying vs Working

Question: Do you prefer studying or working?

Answer:
At the moment, I prefer studying because it allows me to gain knowledge and develop important skills for my future career. Education helps people broaden their perspectives and prepare for professional life. Although working can provide financial independence, studying gives me more opportunities to learn and grow.

High-level vocabulary:
• gain knowledge
• develop skills
• broaden perspectives
• financial independence
• opportunities

119 Watching YouTube vs Watching TV

Question: Do you prefer watching YouTube or television?

Answer:
I prefer watching YouTube because it offers a wider variety of content and it is more flexible. People can choose exactly what they want to watch at any time. Television programs are sometimes limited, while YouTube provides educational, entertaining, and informative videos from all over the world.

High-level vocabulary:
• variety
• flexible
• limited
• educational
• informative

120 Reading Fiction vs Non-fiction

Question: Do you prefer reading fiction or non-fiction books?

Answer:
I personally prefer reading fiction because it allows me to escape from reality and enter an imaginative world. Fiction stories often have interesting characters and creative plots. Non-fiction books are informative and useful, but fiction is usually more entertaining for me.

High-level vocabulary:
• escape from reality
• imaginative
• characters
• creative plots
• informative

121 Listening to Music While Studying vs Silence

Question: Do you prefer studying with music or in silence?

Answer:
I usually prefer studying in silence because it helps me concentrate more effectively. Music can sometimes be distracting, especially when I need to focus on difficult topics. However, soft instrumental music can occasionally create a relaxing study environment.

High-level vocabulary:
• concentrate
• effectively
• distracting

• focus
• environment

122 Traveling in Groups vs Solo Travel

Question: Do you prefer traveling in groups or traveling alone?

Answer:
I prefer traveling in groups because it makes the journey more exciting and enjoyable. When people travel together, they can share experiences and support each other. Traveling alone can be peaceful and independent, but group travel usually creates more memorable moments.

High-level vocabulary:

• journey
• enjoyable
• experiences
• independent
• memorable

123 Learning Online vs From Books

Question: Do you prefer learning online or from books?

Answer:
I prefer learning online because it provides quick access to a huge amount of information. Online platforms often include videos, interactive lessons, and practical examples. Books are still valuable resources, but online learning feels more modern and dynamic.

High-level vocabulary:

• access
• platforms
• interactive
• resources
• dynamic

124 Spending Money on Experiences vs Things

Question: Do you prefer spending money on experiences or material things?

Answer:
I prefer spending money on experiences such as travel or learning new skills. Experiences

create long-lasting memories and personal growth. Material things may provide temporary happiness, but experiences often bring deeper satisfaction.

High-level vocabulary:

• experiences
• long-lasting
• personal growth
• temporary
• satisfaction

125 Watching Movies Alone vs With Friends

Question: Do you prefer watching movies alone or with friends?

Answer:
I usually prefer watching movies with friends because it makes the experience more fun and interactive. People can laugh together, discuss the story, and share their opinions about the movie. Watching alone can be relaxing, but watching with friends is often more entertaining.

High-level vocabulary:

• interactive
• discuss
• opinions
• relaxing
• entertaining

126 Early Morning Exercise vs Evening Exercise

Question: Do you prefer exercising in the morning or in the evening?

Answer:
I prefer exercising in the morning because it gives me energy for the rest of the day. Morning exercise can improve concentration and productivity. Evening workouts can also be beneficial, but sometimes I feel too tired after a busy day.

High-level vocabulary:

• energy
• concentration
• productivity
• beneficial
• workouts

127 Learning New Skills vs Improving Old Skills

Question: Do you prefer learning new skills or improving existing skills?

Answer:
I think both are important, but I slightly prefer learning new skills because it helps me expand my abilities and explore new opportunities. At the same time, improving existing skills is necessary to achieve a higher level of mastery.

High-level vocabulary:
• expand abilities
• explore
• opportunities
• existing skills
• mastery

128 Working from Home vs Office

Question: Do you prefer working from home or working in an office?

Answer:
I personally prefer working in an office because it provides a more professional environment. Being in an office allows people to communicate directly with colleagues and collaborate more effectively. Although working from home can be comfortable and flexible, the office atmosphere often helps people stay focused and productive.

High-level vocabulary:
• professional environment
• communicate
• collaborate
• flexible
• productive

129 Reading News Online vs Newspapers

Question: Do you prefer reading news online or in newspapers?

Answer:
I prefer reading news online because it is faster and more convenient. Online platforms provide updated information almost instantly, which helps people stay informed about current events. Newspapers can be reliable, but they are usually less practical in today's digital world.

High-level vocabulary:
• convenient
• platforms
• instantly
• informed
• practical

130 Spending Free Time Alone vs With Others

Question: Do you prefer spending your free time alone or with others?

Answer:
It depends on my mood, but I usually prefer spending time with friends or family. Social interaction helps people relax and enjoy meaningful conversations. However, spending time alone can also be beneficial because it allows people to reflect and recharge their energy.

High-level vocabulary:
• mood
• social interaction
• meaningful
• reflect
• recharge

131 Learning by Watching vs Listening

Question: Do you prefer learning by watching videos or by listening?

Answer:
I prefer learning by watching videos because visual explanations help me understand information more clearly. Seeing diagrams, examples, or demonstrations makes complex ideas easier to remember. Listening can also be helpful, but visual learning is usually more effective for me.

High-level vocabulary:
• visual explanations
• understand
• demonstrations
• complex ideas
• effective

132 Short Trips vs Long Vacations

Question: Do you prefer short trips or long vacations?

Answer:
I prefer long vacations because they give me enough time to relax and fully explore a new place. During a longer trip, people can experience the local culture and enjoy different activities without feeling rushed. Short trips are convenient, but long vacations are usually more memorable.

High-level vocabulary:
• explore
• culture
• activities
• convenient
• memorable

133 Living Near the Sea vs Mountains

Question: Do you prefer living near the sea or near the mountains?

Answer:
I would prefer living near the mountains because the scenery is often peaceful and beautiful. Mountain areas usually have fresh air and quiet surroundings, which can be very relaxing. Living near the sea is also attractive, but I personally enjoy the calm atmosphere of the mountains.

High-level vocabulary:
• scenery
• peaceful
• surroundings
• relaxing
• atmosphere

134 Learning Alone vs With a Teacher

Question: Do you prefer learning by yourself or with a teacher?

Answer:
I prefer learning with a teacher because teachers can provide guidance and explain difficult concepts clearly. They can also correct mistakes and give useful feedback. Learning alone

can develop independence, but having a teacher often makes the learning process more effective.

High-level vocabulary:

• guidance
• concepts
• feedback
• independence
• process

135 Planning Everything vs Being Spontaneous

Question: Do you prefer planning everything or being spontaneous?

Answer:
I usually prefer planning things in advance because it helps me stay organized and avoid unnecessary stress. When I have a clear plan, I can manage my time more effectively. However, being spontaneous can sometimes make life more exciting and adventurous.

High-level vocabulary:

• in advance
• organized
• manage time
• effectively
• adventurous

136 Watching Educational Videos vs Reading Articles

Question: Do you prefer watching educational videos or reading articles?

Answer:
I prefer watching educational videos because they often explain complex topics in a simple and visual way. Videos can include animations, examples, and demonstrations that make learning easier. Articles are also useful, but videos are usually more engaging for me.

High-level vocabulary:

• complex topics
• visual
• animations
• demonstrations
• engaging

137 Trying New Things vs Staying in Comfort Zone

Question: Do you prefer trying new things or staying in your comfort zone?

Answer:
I prefer trying new things because it helps me grow as a person and gain new experiences. Exploring new activities or challenges can improve confidence and develop important life skills. Staying in a comfort zone may feel safe, but it often limits personal growth.

High-level vocabulary:

- gain experiences
- exploring
- challenges
- confidence
- personal growth
